To reach Basic Support by Phone:

You can call 1-888-KEY-SYST (1-888-539-7978) to address any questions or issues you have.

To reach Basic Support by Web:

Simply visit our Support Central Portal (<http://support.keynote.com>).

To Create a New Service Request:

1. Go to <http://support.keynote.com>
2. Enter your user name and password, and click the Login button.
3. Under "My Account" click "My Service Requests".
4. In the My Service Requests section, click the "Submit New SR" button.
5. From the drop-down menus, select the Type, Severity and Product.
6. In the text fields, enter a service request Title and Description.
7. Click the Save button to open the ticket.

To View an Open or Pending Service Requests:

1. Go to <http://support.keynote.com>
2. Enter your user name and password, and click the Login button.
3. Under "My Account" click "My Service Requests".
4. In the My Service Requests section, click the Down arrow in the Status column. This moves all "open" issues to the top.

To Add Additional Information to Service Requests:

1. Go to <http://support.keynote.com>
2. Enter your user name and password, then click the Login button.
3. Under "My Account" click "My Service Requests".
4. Click the Service Request number for the open issue.
5. From the Update tab near the bottom of the page, click the Add button.
6. Fill out the description field and click Save.

To View Solutions:

1. Go to <http://support.keynote.com>
2. Enter your user name and password, then click the Login button.
3. From the middle of the home page select from the choices to see the Top 20 Solutions, View New Content, or browse FAQs by Product.
4. Alternatively, search FAQs by keyword by entering text in the "Search Keynote Support Central Knowledgebase" field in the upper right of the home page and most other pages, and then click the "Go" button to get the results.
